Please answer the following questions. You may attach more paper if necessary.

How did you hear about the Youth Council and what made you want to participate?

What challenge do you see in our community?

How do you plan to balance your schedule to ensure you have ample time to participate on the Youth Council?

Finally, you will be required to speak at the May 19th interview. Two minutes maximum will be allotted for each speech. The speech does not have to be memorized as notes are allowed. This will help the Youth Councilors get to know you better. In the speech please tell about yourself, about what you have done in the past, and what you plan to do in the future if you are elected a Youth Councilor.
